

ALCOHOL/DRUG FREE POLICY:

All Saints Academy has worked and is actively working towards the prevention of alcohol and drug abuse. Programs have been and will be sponsored for students and parents pertaining to drug and alcohol abuse. In addition, All Saints Academy is cooperating with schools in Clinton and Washington Counties on these issues.

The Board believes that to reinforce the information received in these programs, to emphasize the possible dangers of alcohol and drug abuse, and to show by example that drugs and alcohol are not essential to every function or gathering, student-related activities at All Saints Academy should be alcohol and drug free.

Therefore, it is the policy of the All Saints Academy Board of Education that student-related activities are alcohol/drug free and that message is promoted to the students whenever possible. For activities that are primarily student related activities and such other events as the Board and the Principal may determine, the policy of All Saints Academy shall be that there be no alcohol or drugs on the premises during these activities. This policy should be made known to all adult and student volunteers before the event takes place.

OFF SCHOOL GROUNDS

All Saints Academy students are expected to portray good citizenship at all times when they could be seen as representatives of the school. This includes, but is not limited to extra-curricular activities. If the Principal has evidence of behavior that could reflect negatively on ASA, she will deal with it in the same manner as if it took place on school grounds.

MAKE-UP STUDY:

When a student is absent, tardy, or released early; he/she will make up the work missed whether it is study or written work.

It is the pupil's responsibilities to ask the teacher for the make-up work or to have another pupil bring home books and assignments.

The student will have 2 days for every day absent to make up his/her work

It will be the teacher's responsibility to make sure that all tests are made-up, after giving the student a reasonable amount of time to prepare.

K - 5th grade teachers will give students a reminder of assignments that need to be made-up prior to making any grade deductions.

Assignments not made-up within this time frame will be regarded as a zero in the grade book.

Assignments not made-up within a reasonable amount of time will be regarded as a zero in the grade book. The definition of a reasonable amount of time will be left at the discretion of each individual teacher. They will consider such factors as length of time absent, reason for absence, volume of work to be made-up and any other extenuating circumstances when making this determination.
